KJ DENHERT- GIRL LIKE ME CD REVIEW

I must admit GIRL LIKE ME, featuring Urban Folk and Jazz Artist, K. J. Denhart, was my first time hearing this artist. I was thoroughly impressed. I feel as if I have been missing out. I've listened to the CD over and over and just can't get enough. I can't really say which one is my favorite, since I pretty much like them all. Some of the tunes include: HOW MANY WAYS, SHE LOVES YOU AND MESSAGE IN A BOTTLE.

Don't be like me and be left in the dark. Enjoy this jazzy singer by adding GIRL LIKE ME to your collection.
