KJ Denhert

Recordings: Girl Like Me..., Live

Phenomenal NYC guitar stylist KJ Denhert calls her music Urban Folk and Jazz, though it is rooted in Funk and R&B, too. KJ and her band, The NY Unit, a group of musicians with rock-solid credentials, have had a regular standing-room-only Saturday night gig at The 55 Bar in NY's West Village since 1998. KJ has also performed in such legendary rooms as The Blue Note Las Vegas, The Bottom Line, Fez, and The Living Room. She has opened for Roberta Flack, Kenny Rankin, Tuck & Patti, Phil Roy, GQ, and Loudon Wainwright. *Acoustic Guitar Player* magazine praises "[KJ's] original songs with funk beats and soulful vocals that sound both streetwise and sophisticated."
